# May Worship at Anona

Jack Stephenson

Senior Pastor  
595-2581 x224  
Jack@anona.com

May is a great month. Dr. Gene Bennett (beloved local pediatrician) used to say, "Don't swim till May." It meant for all my young families' life that we started swimming this month. It is still is a time of getting the family together for back-yard BBQ, beach, and generally getting wet. I hope you will get wet or do something fun for you this month as well. It always felt premature that we did confirmation class beach baptisms before May. I guess baptism is not exactly going swimming, but it's close. After the beach BBQ there's Cinco de Mayo (May 5th) where of course we all need to go get some Mexican food. Then there's Mother's Day (the 13th). Don't forget. Everybody has one. My mom's been gone for a while, but I still have lots of moms in my life that I grill for on that day. Food, family, and fun sound like May to me.

Then there's the sad side. Remember when we used to wear carnations for our mothers. I would have to wear a white one now that my mom has passed. Then there's Memorial Day. We always went to our family graves for those who had died in the wars to decorate them. It's been a long time since I've done that.

Fun and family, and sadness and family. A month that is both the height and depth of our love.

My prayer for you this month is that you have both. Fun and family is always good if you can get it. And the sadness... well Kahlil Gibran speaks to that in his "On Joy and Sorrow". "When you are sorrowful look again in your heart and you shall see that in truth you are weeping for that which has been your delight." It is only that which we love and in which we find joy that can bring us sorrow in its loss. The risk of loving then losing. Let's face that with faith this month.

## **May 6                                      Expectation of Happiness**

**Psalms 1:1-3**

Sermon by: Dr. John M. Stephenson

The Greek word for happiness, Eudaimonia, has been associated since Old Testament times with the concept that right actions result in well being. This truth however leads to a dangerous concept, that when your "living right" you can expect nothing but happiness and when you don't get it something is wrong. Why do bad things happen to good people? We'll take all that into Communion as we come before the Lord in worship.

## **May 13 (Mother's Day)      Beauty for Ashes**

**Isaiah 61:3**

Sermon by: Dr. John M. Stephenson

It is only that which is your joy that can be your sorrow. What a deep risk we take when we love. Mothers represent a love that comes literally from within. We give ourselves to the loved one, then are vulnerable to that love in the journey of where it goes. Alfred Lord Tennyson is often quoted as saying in his poem Memoriam, "I hold it true, whate'er befall, I feel it when I sorrow most, tis better to have loved and lost than never to have loved at all".

## **May 20                                      All Fired-up!**

**Acts 2**

Sermon by: Rev. Jeremy Herrington

Today is Pentecost Sunday, the birthday of the church (happy birthday!) This morning we're going to talk about getting fired-up for love in action, and how we can work towards an authentic love for God, for the church, and for our community and world.

## **May 27                                      Greater Love**

**John 15:13**

Sermon by: Dr. John M. Stephenson

Jesus said "This is my commandment, that ye love one another, as I have loved you. Greater love has no one than this, that he lay down his life for his friends. You are my friends..." On this weekend we commemorate those who have given their lives for what we have today. Especially we decorate the graves of those who have died serving their country. Jesus said we are his friends if we do what he teaches. When we lay down our lives for those we love we are following Him. What does it mean to "lay down our lives"? Ephesians 5:21 and following says that we "submit" to each other as a way of live, wives to husbands, husbands to wives friends to friends. Are you ready to follow Christ in "laying down" your life?

See You Sunday,

## WE ARE ONE IN THE SPIRIT

May is an exciting month for many reasons: Mother's Day, the end of the school year, the month when Star Wars first came to movie theaters in 1977, and so on... One of the big celebrations of the church in May is Pentecost Sunday (this year it is on May 20th).

On Pentecost, we celebrate the Holy Spirit descending on the people, and with a rush of wind ignites a Holy fire amongst them where they speak in different languages. Yet despite the different languages, the people understand each other clearly as they talk about God's mighty deeds. This amazing event marks the birth of the church, and our call as creations of God to share the love of Christ through the power of the Holy Spirit.

For me, I love the dichotomy of the multiple languages present at Pentecost, with the unity of purpose and understanding. It gives me hope that the diversity that exists in the world (even within our own country and denomination) can be set aside as we share together in the unity of Christ's love and grace. My prayer for us this month is the prayer from St Augustine of Hippo: that in our essentials we find unity, in non-essentials liberty, and, in all things, charity.

IN ESSENTIALS, UNITY  
IN NON-ESSENTIALS, LIBERTY  
IN ALL THINGS, CHARITY

Honesty is the best policy? This is something we have learned from the time we were small. This proverb is associated with Benjamin Franklin, but can be found in almost, if not all civilizations since communication first took place between two people. But is it really the best policy? According to the dictionary (Merriam Webster) a definition of policy is: "a definite course or method of action selected from among alternatives and in light of given conditions to guide and determine present and future decisions".

On the other hand Webster's definition of a principle is: "a moral rule or belief that helps you know what is right and wrong and that influences your actions". Should honesty be a one of our policies or one of our principles? You may just say this is semantics, they both mean basically the same. It seems clear in our society, that there are many who play loose with honesty to promote their viewpoint. To them, honesty is a policy that can change according to conditions. Why should the truth matter if we can influence others to do the right thing, or at least the right thing in our own mind.

Jesus drew many antagonist from the religious leaders of his time. The Pharisees and Scribes often tried to debate and trap Jesus in answers that would turn the people away from him. Jesus honest and righteous words and life were more powerful than the half-truths or deceit of his detractors. Jesus didn't have a policy about honesty, he was the way the truth and the life. John 8: 31-32 - So Jesus said to the Jews who had believed him, "If you abide in my word, you are truly my disciples, and you will know the truth, and the truth will set you free." May we be set free with the Honesty we display in our lives as we live as disciples of Jesus. Blessings!

May 4th: Game Night  
May 5th: Pancake Breakfast, \$4  
Thrift Store Hours: Monday, Wednesday, & Saturday 9a - noon

### \$4 Breakfast benefits St. Mark's Missions

Join us from 8-10:00am on the 1st Saturday of each month for our \$4 Breakfast to benefit various missions. Includes: eggs, pancakes, sausage, juice, and coffee.

We've spent the past few months getting ready for new technology to be installed in all of our worship environments and now that work is done! We can see the choir in our traditional services and they can read their music because of new lighting. There are new soundboards in all of our worship venues (traditional, worship center, and FX Theater) and we have added video to our traditional and contemporary worship. That's right...we will soon have video of our messages back on the website! As most of you have heard by now, we also hope to be starting on some renovations on our traditional sanctuary this summer, updating our lobby and getting new carpet throughout much of our main building. Why are we doing all of this? Because we are getting ready!

You might ask, "Getting ready for what?" We are getting ready for guests. This is the preparation phase that will launch us into new ways of connecting with our community. In the coming months and years we will begin to stay connected with shut-ins and our northern guests in more deliberate ways, so we can remain in community even when separated by distance. We'll also be unveiling a variety of ministries and reorienting some of our current ministry efforts to accommodate and welcome new people to Christ and our church. One of our new ministries will be a worship service on Sunday evenings called, Anona Nights. This service will launch on August 19th at 5:00 p.m. and will be led by Cory Osborne. Anona Nights will provide a new style of worship that connects with the next generation of Christ followers. If you want to find out more about this service and get a little taste of what is to come, join us for a simple preview at 5:00 p.m. on May 6th in our worship center.

Jesus taught us that when we welcome a stranger, we welcome Him, "...I was a stranger and you welcomed me" (Matthew 25:35). He said, "Let the little children come to me; do not hinder them" (Mark 10:14). There are many more instances where we are being encouraged to welcome. We're getting our church building ready...let's get our hearts ready as well.

**May 6**

**Anona Nights Preview Night**

**Service at 5pm, Not at 11am**

Join us at 5pm for the first Preview Event of our new style worship service called Anona Nights. We are creating a brand new style of worship to engage people who aren't here yet and to help our church become even more irresistible within our community. Anona Nights is more than a worship service, its a lifestyle. We invite you to join us for real relationships, authentic teaching, emotive worship, impactful service, and tons of fun!

**May 13**

**Mother's Day**

**Proverbs 6:20-22**

Whether it's your biological mother or a mother-like figure in your life, we all have someone who has poured into us and shared wisdom with us. On Mother's Day we celebrate all the mothers and motherly relationships we have in our life. Motherly teaching is to be prized. In this Proverb, instruction is used as a symbol of faithful companionship for our whole life.

**May 20**

**Stepping Out**

**Genesis 12:1-4**

Sometimes God calls us to take a step of faith—a step out into the wild. We don't know where He's leading, but we know He's asking us to trust and follow Him. In this series, as we look at how Abraham followed God's call into the wild, we'll see that we can find the courage to do the same.

**May 27**

**Consequences and Character**

**Matthew 23:37-39**

We often look at the nice words of Jesus and avoid the moments where he is a bit more on the confrontational side...the places where we might even say he appears quite rude. In fact, there are moments where he sounds more like a Marine drill sergeant than a grace-filled Savior. This week we look at the Drill Sergeant Savior side of Jesus.

### **Youth Sermon Series - "Into The Wild"**

Teenagers change a lot—and frequently. Maybe you've discovered a few new interests. Maybe you've recently quit playing a sport or instrument you once loved. Students also probably made some new friends and ended a few friendships they've had since elementary school. What's changed the most since last year. Think back to the things you did as a teenager that you didn't want your parents to find out about. We want our students to know that mistakes (yours and theirs) don't define the future. Trusting God can be difficult — for teenagers and adults. During challenging seasons, it can be helpful to think back to moments God has come through for you and your family. This week, can you remember any times God has come through for you or someone you know. We want to remind ourselves that those moments are evidence that God can be trusted always.

## The School Year Ends...and Summer Begins!

The school year is coming to a close and summer is right around the corner. As we prepare to honor the graduating VPK class here at ACDC, we look back on the year and celebrate the accomplishments and growth of all of the children in our program. We embraced the celebrations and acknowledge that, with God's grace, we partnered through the struggles, upsets, and surprises that come with teaching and raising God's little ones. Cherish the moments that make you smile, and remember, we are not alone in this journey. God has great plans for His children and here, at ACDC, we smile as we watch each child take the next step on their journey.

### Indian Oaks Assisted Living

1st Sunday of Each Month at 3pm

Anona is now at Indian Oaks Assisted Living facility! In February, under the mentorship of Pastor Gary and Pastor Jeremy, a small team from Simply Worship at the Anona Chapel began leading a worship experience at 3PM on the first Sunday of every month.

In this short amount of time, God has richly blessed us by reaching out to these dear folks with a message of love and hope and an opportunity to participate in communion. Please be in prayer for the team as we continue this ministry. This is a small acoustic worship experience, and if you are interested in helping facilitate please contact Bert or Judy Crossman @ 727-595-6872. It would be truly amazing to offer more than one service a month at Indian Oaks.

## The Ignition of Motivation

**Determination:** Firm or fixed intention to achieve a desired end. It's easy to apply determination to simple things like making toast, or taking a nap. Where the challenges lie are when good intentions meet roadblocks, detours, tiredness or waning interest. I mainly see trouble with determination when it comes to healthy habits, marriages, and life goals.

**Healthy Habits:** It's hard to stick to healthy habits, but here is a tip to help you. Imagine the benefits of a healthier body, and keep that image in your mind. When you are tempted to eat/do something that will take you away from your goal, pretend that you are at a huge Imax theater and then project the image of your healthier body up on the large screen. Make it big, and then reward yourself with kind words of praise. It won't be long before your determination will yield the great results you wanted.

Let us not become weary  
*in doing good*  
for at the proper time  
we will  
*reap a harvest*  
if we do not give up  
Galatians 6:9

**Marriages:** It's so wonderful in the beginning. Do you remember those feelings? If they are just a memory now, hold on and get help. A good marriage is one of the hardest things to do, and one of the most rewarding when it withstands the tests of life. It requires both people to be determined to learn how to interact with each other in ways that bless and keep them united.

**Life Goals:** Procrastination is the enemy of life goal achievement, and low self-esteem is the culprit that makes procrastination look like a better thing to do. To accomplish your life goals, learn first what it takes to love yourself.

In time, and with the right actions steps, you can accomplish your desires. The ignition of motivation can be sparked through excited determination.

Let me know if I can help!

The Tenor Clef is primarily used for bassoon, trombone, bass, and cello. In the Tenor Clef, middle C is located on the staff line which is second from the top.

## RCS Stamp Out Hunger—May 12

Join us on Saturday, May 12th as we help our friends at RCS Stamp Out Hunger. Each year, postal carriers across the nation and in our community collect food items and bring them to the local food banks. RCS is in need of volunteers for several shifts that day to help sort food. Water and snacks are provided. Although there are large fans in the food bank warehouse, it can be warm so please dress comfortably and wear closed toed shoes for safety (Please note that volunteers must park at the medical clinic or funeral home to avoid being towed). This is a great opportunity for individuals of any age, couples, or groups to serve our community. If you are interested in signing up for a shift, please call or email Christi Snyder, RCS Volunteer Coordinator, at 727-584-3528 ext. 402 or [Christi.snyder@RCSpinellas.org](mailto:Christi.snyder@RCSpinellas.org). RCS Food Bank is located at 700 Druid Road in Clearwater. You may also check out our Mission Spotlight page at [www.anona.com/missions](http://www.anona.com/missions) where we will be posting an online signup as soon as it becomes available. Hope you can make it!

## Fall Caravan to CUBA—Visa Application Deadline June 30

Anona UMC has three sister churches in Cuba: Iglesia Metodista De Amarillas, Iglesia Metodista de Alta Sita and Iglesia Metodista de Cardenas. These translate to: The Methodist Church of Amarillas, Alta Sita and Cardenas. Your donations go to support these churches in many ways. Purchasing supplies in Cuba for simple things that we take for granted, such as crayons, glitter and construction paper can be an enormous expense when purchased in Cuba.

Having a sister church is about more than just sending money and supplies, it is about building a relationship; a relationship with the pastor and with the church members. These Caravans are not mission project trips but a chance to get to know the people and while you may find a project that needs to be done while you are there, that is not the purpose or plan of the trip. This is why our District Coordinator, Karen Laukat, arranges Caravans twice annually to Cuba. This allows church members from many different churches to travel to Cuba and visit their sister churches, building life-long relationships that last over time and distance.

The next caravan will travel to Cuba in November for approximately 8 days, dates TBD. If you are interested in traveling to Cuba and staying at one of our sister churches, visa applications must be submitted no later than June 30th along with a check made payable to Anona UMC in the amount of \$310. Visa applications take several months to process and will be picked up upon arrival in Cuba. Applicants must have an up-to-date passport that does not expire within 6 months of travel date. For an application or more information, stop by Connection Point, visit our website at <http://www.anona.com/missions/> or contact Janice Dean at [missions@anona.com](mailto:missions@anona.com) or 727-804-5028.

**Girls in Pearls**, is a program that our box tops supports at Ridgecrest Elementary. The girls have been working on a knitting project in which they make caps for sweet babies in Guatemala. Thank you for donating your Box Tops and continuing to do so!

**NEXT BUILD is:**  
**May 12th**  
**8:00AM - 12:00PM**

Sign up at the Connection Desk or contact Dave Gerald at 365-2800, email [dsgerald@hotmail.com](mailto:dsgerald@hotmail.com). No construction experience required.

**CHANGE 4 CHANGE**  
**takes May off and will resume in June!**

The 11<sup>th</sup> grade small group will be collecting your spare change to support a number of mission projects in our community and beyond. Thank you!

**All Pro Dads** - Take note: The Gulf Central UMC District Superintendent got a chance to meet with Hillsborough County school officials, the PTA and All Pro Dad leaders at Lake Magdalene UMC to learn how the program is energizing school children in Hillsborough County to be on their best behavior in classes so they can earn tickets to attend All Pro Dads-sponsored events. Teachers are loving it. The DS would like to see more of this in the Pinellas County schools. Because of some of the dads and Richard Landon here at Anona, Anona's All Pro Dads Day is one of the seeds already planted to do this. The new District UMM president Terry Sisco says the District UMM is seeking to start up 25 new All Pro Dads chapters in Hillsborough, Polk, Pinellas and Pasco counties.

**Anona's All Pro Dads Day** is looking for more dads and men to join the APDD team. This is a four to six times a year commitment that happens at a local school between 7:30 and 8:30 am. # Membership

Membership at Anona is about worshipping, growing, serving and living life together in community. We believe that discipleship is a life-long journey of self-examination and continuous growth, leading to a Christ-like life that serves others and furthers God's Kingdom.

Simply, does worship here connect you with God? Is this a place where you can grow spiritually? Finally, are you moved to make a difference in the world with a servant heart? There are no mandatory classes. There are no minimums in attendance or giving. It is a community of the willing. Saying you want to be a member is like walking through the front door of a house you want to live in.

Membership vows are usually "corporate" in nature where those wishing to join, come forward during worship and vow together with the witness and support of the congregation. For those who do not want to be in front of people in such a public way, vows can be taken privately. Some individuals and families prefer private baptism as well. We are willing to do what is most comfortable for you as you make your commitment to Christ and Christ's church.

We invite our seasonal residents into Affiliate and Associate membership at Anona! Affiliates are members of another United Methodist Church who wish to connect with the life, ministry, and watch-care of our congregation. Associates are members of another Christian denomination who wish to connect with us while retaining their current denominational affiliation.

What is "Insight to Anona?"

We offer "Insight to Anona" classes to those wishing to join or just seeking more information about our church. We meet for an informal time of getting to know each other, while learning more about Anona's history, mission and culture. People leave knowing more about our Bible study classes, book studies, small groups, mission partners and service opportunities, both inside and outside the walls of our church. In summary, it helps you see where you want to get connected as we worship, grow, serve and live life together in Christ!

Insight usually lasts 1-2 hours depending on the number of people and how we move through the tour. If those dates aren't convenient, Sandy Drugash is happy to meet privately at a time that's good for you. **Our next Insight to Anona is Wednesday, May 2nd at 10:30am and Sunday, May 6th at 12:30pm in the Front Office** (off of the Fellowship Area). Our next Membership Sunday is May 20th at all of our worship services. Sandy is looking forward to hearing from you! [sandy@anona.com](mailto:sandy@anona.com) or phone 595-2581 x 228.

## Stephen Ministry at Anona

He is Risen! Indeed

This is a phrase that is fresh in our minds during the season of Lent. On Easter, we celebrate the ascension of Jesus from the grave to complete the resurrection. If you have lost that sense of rejoicing and are struggling in your faith journey, you may need a Stephen Minister.

Passing of a loved one, financial concerns, loss of a job, and health concerns for yourself or others are some of the reasons for a referral to Stephen Ministry. Men hesitate to seek out help and often keep their sorrow buried deep inside. Asking for help and admitting your pain is a sign of courage, strength, and most of all, faith. We have several experienced caregivers trained to listen and walk with you toward a path of healing from brokenness. Men are always matched with men, women are always matched with women, and in Christian caregiving we offer a trustworthy and confidential way to share any concern in a safe place.

In Stephen Ministry, we have a descriptive image for struggle called the Mud Hole. If you feel like you are falling into a "hole" of despair, let a Christian caregiver help pull you out, hand in hand together as one. Stephen Ministers are called to serve as conduits for Christian care, and we can help you Rise Up, Indeed.

Personally, I want to express my thanks for providing Stephen Leader Training for me in Orlando next month. I look forward to serving Anona through Stephen Ministry in this new role.

May the peace of Lord be with you.

Paul Patenaude
